PROGRAMMES IN MARCH 2019

7/03: We had our Music programme and over **350** members and guests in attendance and all enjoyed the melodious music of **Anand & Shefali**, also enjoyed the sponsored Special lunch. We have received several emails and phone calls from members that this was another superb programme.

14/03: **Jasuben** had organised the **Quiz** in Groups of 4 with 9 teams and had prepared questions. Everybody thoroughly enjoyed the game.

21/03: After lunch we had a programme "**Chai with Jasu**". The participants were **Bhartiben Kotecha and Anilbhai Bhuva**. This was something unique as normally such programmes are with well-known personalities in the society. But **Jasuben** had invited two less abled members one Wheel Chair user and the other with a tripod stand. She must be heartily congratulated for this innovative idea. The discussion was mostly pertaining to their disabilities and their lifestyle.

Vinodbhai Kapashi gave vote of thanks and said it was interesting to see
