Dear Vadil Members

Welcome to APRIL Newsletter. Hope everybody is keeping well and looking after themselves.

MESSAGE FROM PRESIDENT VINOD PAREKH AND SECRETARY JAYANT DOSHI

WHY DID WE DECIDE TO STOP OUR GATHERING AT SATTAVIS CENTRE?

With three jabs and now a fourth booster jab we are quite safe from serious Covid 19. However, cases are increasing at fast rate (over 5 million in 7 days in late March) and it is also reported cases are rising fast amongst 75 years plus age group. Because of the vaccinations our immunity gets stronger and chances of serious complications because of Covid-19 are less.

However, it is still not known what other problems could arise in the body with Covid-19 infection. What is important is that at this age our bodies have other issues and Covid-19 infection is likely to aggravate those or create other complications in the body. On Thursday 17th March 173 members signed in. Those who tested and were positive and who reported to me came to TWENTY 20, which is quite a large number. (There may be a few more cases not reported.) Of those who were positive, majority did not have any serious issues, but a few had and were in bed for a few days.

FOR US this was a difficult decision, but even if one member got serious it would be on our minds for long time. **WE** hope you all understand.

JAYANT DOSHI (Secretary) VINOD PAREKH (President)

PROGRAMMES IN MARCH:

03/03: Morning Yoga was conducted by Manishaben. 81 devices were registered. In the afternoon we had invited Param Pujya Raaj Guru from Shakti Centre. Dr Kapashi, welcomed him and Gurji started by saying he is working as a Driver for the Hindu Community. He talked about Sanatan Dharma very extensively, about Pancha Parmeshver and as humans we make many mistakes, but how to overcome them is the key Hindu Dharma. It was a very interesting talk about Hindu Religions. 45 devices were registered.

10/03: Morning yoga was conducted by Manishaben 89 devices were registered.

17/03: Committee had decided to start our usual sessions at Sattavis Centre, after the Government had lifted all the restriction for Covid. It was nice to see many members coming with beaming smiles after 2 years, seeing each other. Morning yoga was conducted by Manishaben, 173 members had attended. Before the announcements, our President Vinod Parekh and Secretary Jayantbhai Doshi welcomed all members stating that they were very happy to meet members after 2 years of lockdown. They also said that it was nice to see all members with very happy moods and wearing masks. Further, we will continue to meet if members are willing to do so.

We welcomed members who had attended the gathering after 2 years of Covid lockdown. However some members had not been able to attend due to health problems and we wished them a speedy recovery and return to our gatherings in future. We also thanked the Almighty God for his grace that we all have survived the greatest pandemic for the last two years and we keep on praying that he keeps us safe when several of our relatives, friends and members have sadly passed away.

All those attending were asked if they had taken all the 3 jabs of Covid vaccinations and everyone raised their hands.

With great sadness as we had already informed the members, loss of following 14 members during the last 2 years of the lockdown.
